E-learning/Training

Once logged in, choose E-Learning (if it is not in the icons or photo options across the top of the page, please check the Locker to see if it is in the drop down menu). Examples of E-Learning modules include:

- NCCP Make Ethical Decisions Online Evaluation
 - ethical decision making
- Making Head Way in Sport
 - The importance of understanding concussions as a coach at any level cannot be understated. The Making Head Way in Sport is an award winning eLearning resource for recognizing concussion and implementing proper return to play protocols. There are serious implications of undiagnosed concussions and improper return to play protocols which can affect the long-term wellbeing of an athlete. Making Head Way in Sport is an online learning tool designed to help coaches gain the knowledge and skills required to ensure the safety of their athletes. This NCCP Module covers: What to do to prevent concussions, how to recognize the signs and symptoms of a concussion, what to do when you suspect an athlete has a concussion, how to ensure athletes return to play safely.
- Safe Sport Training
 - create, foster and preserve sport environments that ensure positive, healthy and fulfilling experiences for all individuals

Please note if you complete the MED Online Evaluation before taking the Making Ethical Decisions Training Module, there is a non-refundable \$85 fee to take the evaluation. (See below). If you take the NCCP Make Ethical Decisions module before taking the MED Online Evaluation then the MED Online is free. Candidates can take the Make Ethical Decision Module through the Equestrian Theory Course or through a multi-sport training.
